We are so happy to have you staying with us!

Here are a few important details to make your time with us more enjoyable:

- White paths on the map are walking paths. Grey areas with red outline indicate where to drive and park your vehicles
- 11am is check-out. Once you have checked (and double-checked) for left items, and the car is packed, leave your keys in the room and call to let us know you are ready to depart. We will be happy to email your receipt for a contactless check-out.
- Housekeeping does not provide automatic stayover service each day. If you would like us to drop by coffee, tea, fresh towels, etc., please call the front desk by dialing "0". If you find that your room requires a full service cleaning during your stay, we are happy to schedule that on a case-by-case basis. This service is typically scheduled in the afternoons and requires an appointment with our housekeeping department. Please dial "0" to schedule an appointment.
- For the comfort and respect of others, we ask that you use inside voices from 10pm – 8am. Please report any noise complaints to the front desk by dialing "0". You are subject to charges for lost revenue in the event that we refund guests due to your noise.
- Sleeping Lady is a smoke free property, including vaping and the use of cannabis. Smoking in your room will result in a \$300.00 cleaning fee.

If you encounter a bear

Black bears are seldom aggressive and attacks are rare. **If you see a bear before it notices you, stand still, don't approach.** Then move away quietly in the opposite direction.

If you encounter a bear that's aware of you, don't run. Running may trigger a chase response. Back away slowly in the opposite direction and wait for the bear to leave.
