

Regrade Policy GENOME 371

- Do **NOT** write on your exam.
- Review the answers in the key.
- On a separate piece of paper:
 - 1) Write out the correct answer, according to the key.
 - 2) Explain why your answer conforms to the answer in the key and should be considered for a regrade.
- Note: Partial credit was determined at the time of grading. We cannot reconsider partial credit on your exam without regrading all the exams.
- Turn in your request to your TA in lab or to Professors Berg or Brewer at lecture.
- ALL requests for this second exam are **due at the end of lecture Wednesday November 12**. We will not consider any request at a later time.
- The entire exam will be regraded.
