

Genome Sciences Seminar

Wednesday, 12.9.20 | 3:30 | held remotely

<https://depts.washington.edu/gstrestrc/remote.htm>

Dr. Sarah Zanders

Assistant Investigator

Stowers Institute for Medical Research

“wtf selfish genes”

Our laboratory uses an evolution-guided molecular approach to understand the causes of infertility. In particular, we are interested in the effects of genetic conflicts caused by selfish components embedded in eukaryotic genomes.
