

Genome Sciences Seminar

Dr. Fiona Kaper
Illumina

"Illumina Insight Ecosystem – The path from innovation to impact"

This presentation introduces Illumina's Insight Ecosystem, an integrated platform spanning sequencing technologies, novel assays, multiomics solutions, and advanced analytics. We will describe how innovations across whole-genome sequencing, 5-base chemistry, protein and spatial technologies, and AI-enabled software enable scalable, end-to-end insight from discovery through clinical and translational applications.
